

# LVHN Med Panel

Due: Sunday, April 28, 2024 at 11:59 pm

Please share one Q&A that you found to be the most helpful to during you from Friday's medical panel presented by LVHN's Select medical students. Please explain why your chosen Q&A was most helpful and what you learned from it.

If you are absent for this event, and have an excused absence with LCTI, please watch the attached medical panel video link below (if you are unable to open the link, copy and paste the title into YouTube) and respond to the same question in this discussion post.

The one Q and A I found most helpful was their explanation of different study methods and how they used their resources.
