

Name: Luke Buonanno

1.

Luke B. Street Medicine

Eric Rivers RN BSN, RN in lead,
Street medicine

VH/p Street medicine

Volunteers and students help out.

Cardiac arrest is #1 killer in
both homeless people and
Housed people,

Transpiration, lack of insurance, and
trust are the biggest barriers

"Go to the people"

1. Clinics

2. Inpatient Consult Service

3. Street Rounds

4. Medical Respite

Med Respite

Too sick for the streets not
GIR enough for the streets,

"Dr. Nestor" is for alerting about
trafficking.
