

# Kids Peace Nursing

Mark

Joe Hammerstone Nurse manager

Try to care for whole family

Diagnostic is where the kids get sorted into programs

Kidshaven get kids from the border.

Get a lot of vaccinations

Kids from the border can be there from 1-2 weeks to months in order to protect them

Kids Peace RN and LPN work 24/7 + get kids back to their parents

Therapeutic Communication is  
the most important thing in  
Res Nursing.

A lot of listening and  
talking

Only go hands on if the  
kid is a danger to himself  
or others.
