1. Q. Attach your detailed notes from this speaker's presentation.

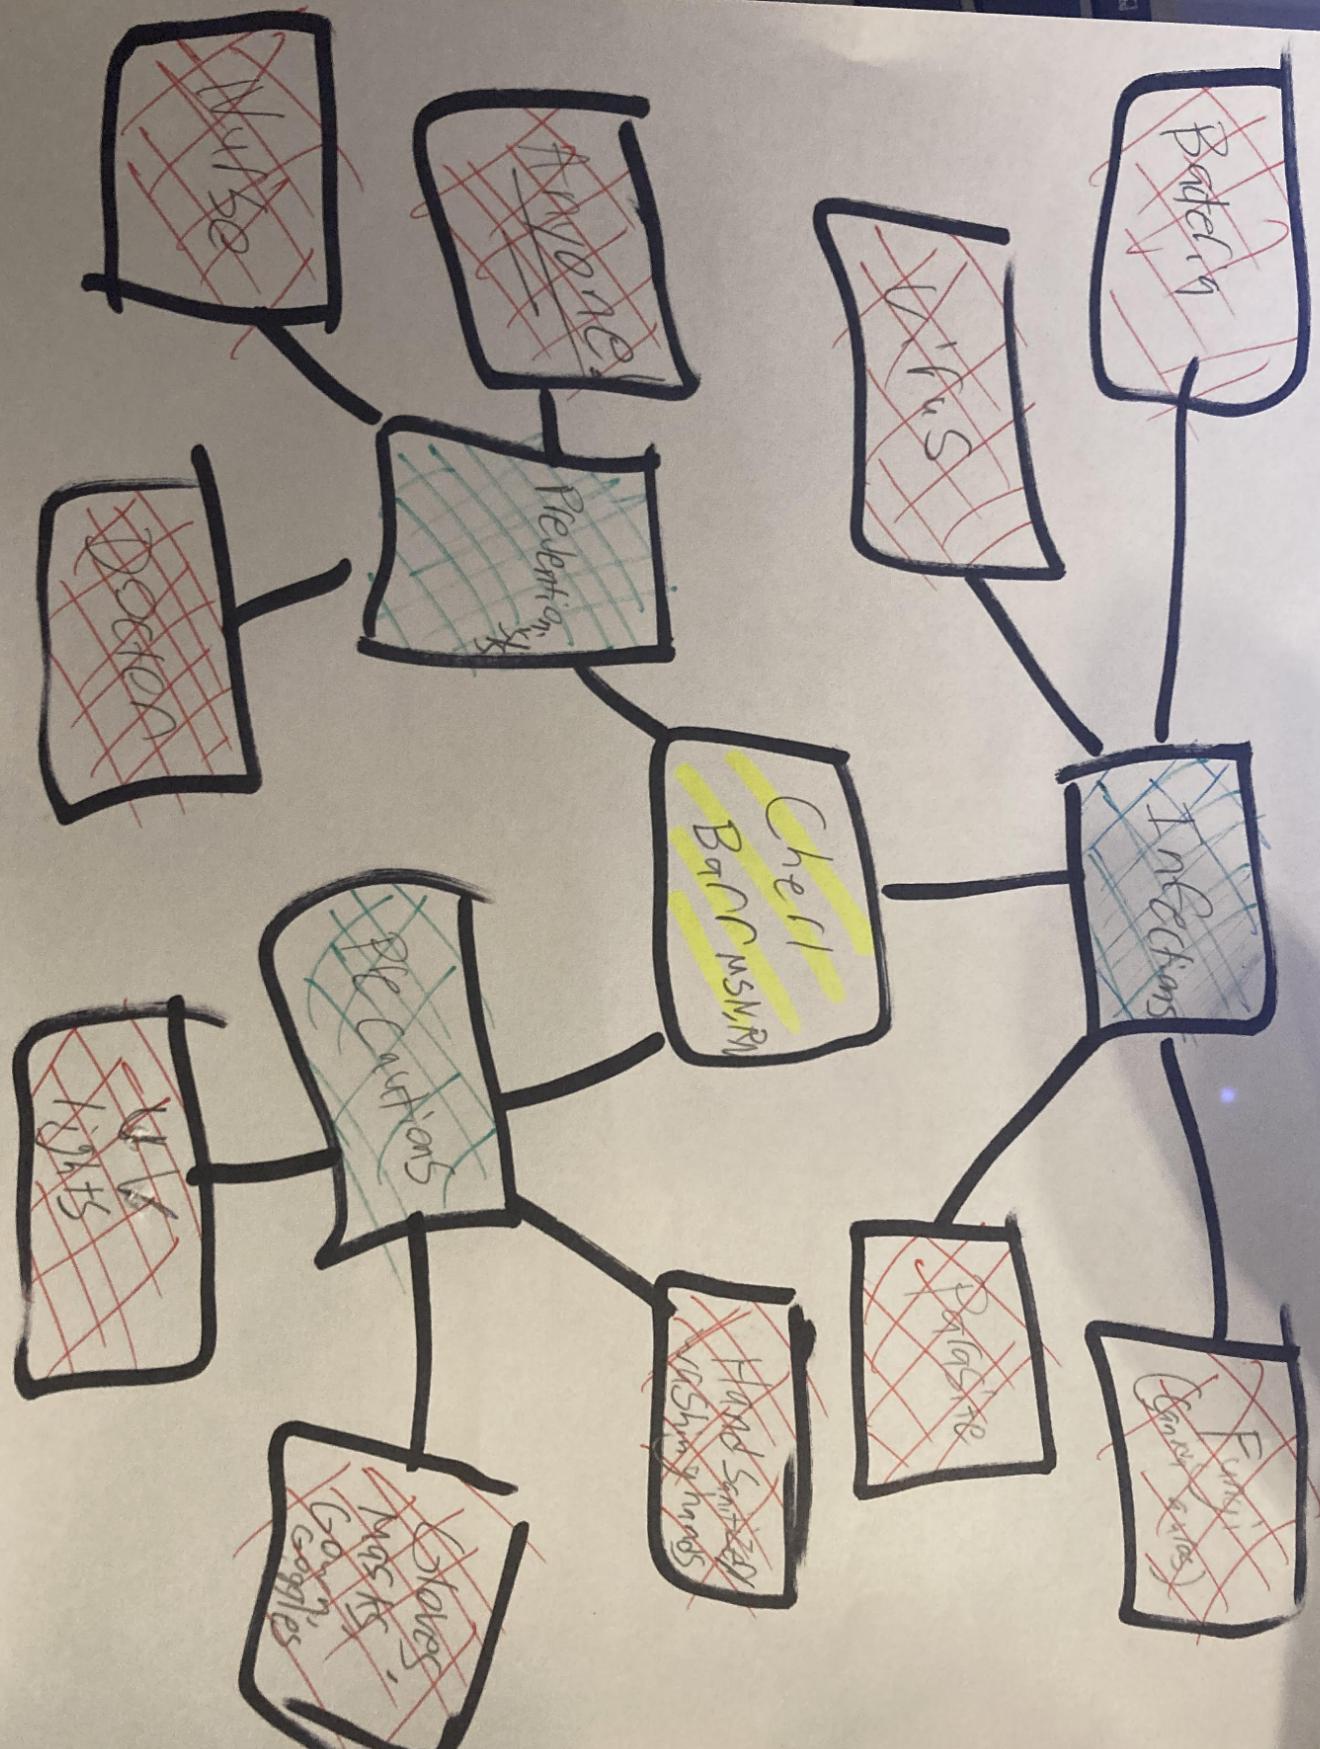

Speaker: Cheryl Barr MSN, RN

Cheryl Barr commenced her professional journey as a graduate nurse, subsequently advancing her career to a role in critical care nursing. Mrs. Barr then transitioned into the specialized field of post-anesthesia care nursing. She holds the position of Infection Preventionist at Lehigh Valley Health Network. Her responsibilities encompass active involvement within the infection control and prevention team, in addition to her role as a member of the flu crew. She talked about how hospital-associated infections affect a much higher amount of people than we realize. She mentioned that proper hand hygiene is the number one way to stop spreading disease around the hospital. Finally, we performed donning and doffing again.

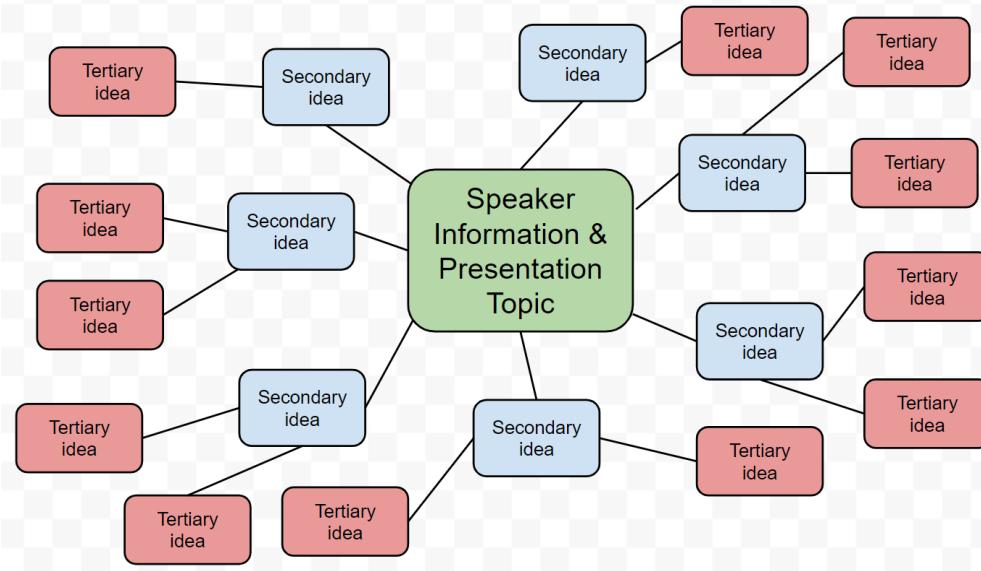

2. Answer the following two (2) reflection questions:
